## WOODROW WILSON SPEAKS ON VALUE OF Y. M. C. A. TO COMMUNITY

That President Woodrow Wilson is a Christian man and is interested in the church and other organizations that are working to upbuild the manhood of the nation is a cause of genuine satisfaction among the Christian people of the nation. A recent address of his on the value of the Y. M. C. A. to the community shows his attitude toward that organization.

"Nothing is more vital to this country than the association of men together for things that are not for private interest.

"No man ever organized a Young Men's Christian Association for his own benefit. No man ever expected, if he were a true man, even to make a spiritual profit out of it, because if you try to do good to another man for your own sake, you don't do it for him.

"The only thing that can vitalize a great association like this is for men to forget themselves and try to serve others. Good was always a good undertaking. It is one of the peculiarities of men that they have never separated but always associated in order to accomplish things.

"What strengthens every community is to put its assets into one common investment to yield usury—a most beautiful usury—to the common benefit of all mankind, because there

is one way in which you can test the modern community, you can test it by the degree of its interest in its Young Men's Christian Association.

"We ought not only to open our individual homes to young men but we ought to make a common home to which they can resort, where they can find a communion with each other that is pure from all the grosser things of life, and that common home is the Young Men's Christian Association.

"The thing that glorifies the work of an association like the Young Men's Christian Association is this: The only thing that ever makes a man big is to love something bigger and better than himself. A man who loves himself is already spoiling. Just as soon as man's purposes are centered and concentrated upon himself he becomes unserviceable even to himself, because presently he will do some selfish thing that will rob him of the trust and confidence of others. A man cannot enjoy the confidence of others unless he proves worthy of it by showing he is ready to serve others and occasionally forget himself.

"That is the test of manhood, it is the test of humanity, and it is the glory and sign of Christianity, that a man will lay down his life for another no matter what the consequences may be to himself either in this world or the next."

## SUFFERED AWFUL PAINS

For Sixteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Moretown, Vermont.—"I was troubled with pains and irregularities for sixteen years, and was thin, weak and nervous. When I would lie down it would seem as if I was going right down into some dark hole, and the window curtains had faces that would peek out at me, and when I was out of doors it would seem as if something was going to happen. My blood was poor, my circulation was so bad I would be like a dead person at times. I had female weakness badly, my abdomen was sore and I had awful pains."

"I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash and they certainly did wonders for me. My troubles disappeared and I am able to work hard every day."—Mrs. W. F. SAWYER, River View Farm, Moretown, Vermont.

Another Case.

## CASCARETS TONIGHT! IF BILIOUS, CONSTIPATED, HEADACHY AND SICK

"Turn the rascals out—the headache, biliousness, indigestion, constipation, the sick, sour stomach and foul gases—turn them out tonight with Cascarets."

Don't put in another day of distress—wake up refreshed and feel fine. Let Cascarets cleanse and sweeten your stomach; remove the sour, undigested

## TROTTER AND AIDS PROMOTED

Deserved promotion in the ranks of United States Public Health and Marine Hospital Service has fallen to the lot of Dr. F. E. Trotter, Dr. G. W. McCoy and Dr. H. D. Currie, who are now elevated to the station of surgeon, and carrying with it the rank of major in the United States army.

Dr. Trotter has been informed by the authorities at Washington that following upon twelve years of faithful service with the department the promotion of the officers now stationed at Honolulu has been ordered to take effect with December 1, 1912.

Drs. Trotter, McCoy and Currie are therefore promoted from past assistant surgeons to surgery and in addition are now entitled to wear the gold leaf as insignia of their rank and station.

The condition of business, it is said, will result in the Harrison line placing some of its largest carriers on the route to the Pacific. These are already some of the big steamers of the fleet in the trade and the smaller ones are now to be succeeded by those of greater carrying capacity.

The steamer *Civilian* is to replace the steamer *Crown of Galicia* in next month's schedule from Europe. She is one of the largest freighters owned by the great English shipping company, having a net tonnage of 4535 tons. She was formerly in the Calcutta trade.

When the Harrison liners last called here they were represented by Mr. Fred Waldron.

## DR. GORDON TO GIVE ANOTHER 'QUIET TALK'

As a part of the regular service in Central Union Church tomorrow evening, Dr. S. D. Gordon will give another of his "Quiet Talks." Since his arrival in this city some weeks ago, Doctor Gordon has from time to time delivered these short addresses in the church, which have been met with instant favor by those who have heard him. That his addresses are being greatly appreciated is shown by the fact that every meeting which he has held has increased in attendance. Mr. Gordon makes it a point never to announce the subject of his address; still, when he has finished speaking, everyone understands clearly just what he has been talking about. An invitation has been issued to the public to attend, whether members of the Central Union Church or not.

## CHINESE DROWNED IN SEWER

Captain Kahanamoku and several officers attempted to save the life of a Chinese named Lim Fook, who was reported to have fallen into an open sewer on Laina road, upper Nuuanu valley yesterday, but the officers were not notified until the man had remained in the water for at least one hour.

The Chinese is said to have attempted to remove the cover to the manhole and in so doing caused a portion of the arch to cave in, sending him to the bottom. His absence was not noted until some time following the accident.

Lingerie dresses are also worn later in March.

Lingerie dresses will show lace and tulle trimming.

## LITTLE INTERVIEWS

ALEXANDER YOUNG—Aye; I concur in the black swan recommendation. I think these birds would be simply beautiful floating on our lovely Maheke island lagoon.

HARRY T. MILLS—Homeless, cold, starving—the living; unburied—the dead—in Ohio and Indiana. Warm, well-fed and happy—in Hawaii. Every person in this territory can and should—contribute to relieve the suffering—and at once; put yourself in the place of the fellow-Americans in whose hands the tariff now is.
